# COMPANY PROFILE

Honrey Cables, specialized in manufacturing and supplying extensive range of electrical cables for application in power transmission, power distribution, rail, petrochemical, mining, ports, airports, wholesale, construction and domestic building environments. We take pride in our ability to identify and satisfy customer needs through the development of innovative products coupled with unique, cost effective cabling solutions. This and our extensive project experience make us the supplier of choice for cable and special cable projects.

We can design and manufacture wires & cables according to the standards IEC, BS, DIN, ASTM, ICEA, JIS, NFC, AS/NZS, CSA, SANS etc.

Our products have been widely supplied to power utilities, electrical materials distributors and dealers, construction and engineering firms, electrical contractors or industrial companies all over the world, as well as Africa, Middle East, South-east Asia, South America, Central America, North America, Europe, Australia and so on.

We focus on customer's needs, and try our best to offer the best professional services, strive to meet the customers' needs. We pursue the aim of "quality, reputation and service first" and adhere to the trade principals of "equality and mutual benefits".

We will insist in specialized development strategy to look for the truth and be practical, and innovation. With the service objective that "our service is just as well as our quality", our company will insist in top-grade management, production of first-class products, offering tip top service and establishing first class enterprise.

## PRODUCTS SCOPE

- Overhead Aluminum Bare Conductor (AAC, AAAC, ACSR, ACAR, AACSR, ACSR/AW).
- Galvanized Steel Wire/Strand(GSW), Aluminum Clad Steel Wire/Strand(ACS).
- Aerial Bundled Cable 1kV-35kV(ABC overhead Cable, duplex, triplex, quadruplex service drop wire).
- PVC Insulated (Flexible) Wire and PVC Insulated and Sheathed (Armoured) Power Cable.
- Low, Medium, High Voltage (1kV-220kV) XLPE Insulated (Armoured) Power Cable.
- Rubber Cable, Welding Cable, Concentric Cable, Control Cable/Instrumental Cable.
- OPGW Cable, Fiber Optic Cable, Network Cable.
